

Dear Parent/Guardian & Studio Assistant Applicant:

I appreciate your interest in Urbana Art & Soul's Studio Assistant Program. The program is open for students who are entering 8th grade in the fall of 2016. This program is designed to introduce teens to a studio environment where they will be assisting the lead artist and working with younger children. The SAs will be working under the supervision of the lead artist. The SA will be responsible for assisting M-F from 8:45-3:45 for the week he/she is selected for.

Each SA must meet and fulfill the following requirements:

- Must have completed a minimum of 2 years of A&S Summer or afterschool Art program.

To apply, please review the attached materials and complete the SA application by April 19th. Acceptance notice and week assignment will be send out by May 4st.

Each SA will receive a letter of recommendation after the completion of the summer program to be used towards scholarships, NHS, pageants, College applications and/or future job opportunities. Hours volunteered at A&S can be used toward Community Service hours. Students can obtain the "official" form from their school guidance counselor.

I hope that this will be a valuable learning experience for you and your child. If you are interested in the Middle/High school level art week, please join me in class. There will be no SA assigned to that week of the Summer Program.

Colorfully,

Manda Mackintosh
